

Considering Surgery?

Your health plan offers cost savings through the BridgeHealth Surgery Program.

The BridgeHealth Surgery Program is offered as part of your health benefits—at no additional charge to you. It provides you with access to highly rated surgical facilities and doctors when you need a non-emergency procedure such as a knee replacement or back surgery. Choosing a facility and doctor in the BridgeHealth network helps you save significantly on your surgery costs.

1

Contact a Care Coordinator at (844) 253-5698 or at ameriben@bridgehealth.com before you schedule surgery.

2

Your Care Coordinator will provide you with information on the network facilities and doctors who are best qualified to handle your particular surgery. You'll also receive guidance and support throughout the process to help you with scheduling and other arrangements.

3

You'll receive care from a top-rated provider in the BridgeHealth network.
