

# Kiita Learning Community

North Slope Borough School District

Kiita Learning Community

SAC Report

August 30, 2018

Our daily enrollment is currently 42 students. We have not started Night School, but it will start after September 1.

Seniors: 30

Juniors: 11

Sophmores: 2

Total of 43 students

Night School: projected at 21

We have 2 new staff members at Kiita. Douglas Drew is our school counselor and Shannon Riley is our ½ SPED teacher we share with BHS. We are currently looking to hire a Language Arts teacher.

The Kiita store is up and running. It is open on Saturdays from 12:00noon to 4:00pm.

Working with various organizations to provide guest speakers to come into our school on Fridays to promote Healthy Living, Life Skills, and various job opportunities.

We have students who are out for BHS activities...football and cheerleading.

Highlights:

- we are working with NSB for more career exploration opportunities
- offering more credit recovery for our students

Concerns:

- still trying to hire a Language Art teacher
- technology is slow and we are trying to get all of our students logged on
- security issues; such as key core issues, outside lighting.
