

## Superintendent Message

Dear North Slope Schools and Communities:

I am honored that the NSBSD Board of Education asked me to work with you during this time of transition. I will serve as the Chief Executive Officer of the NSBSD from now until July. I am committed to furthering the Board's vision for students of the North Slope. I've missed the district and the people in the time I've been gone and look forward to getting to know you and returning to the schools and communities.

I will provide support for a successful transition between Superintendent Szymoniak and a new superintendent for the coming year. I want to thank Glen for his leadership in the last two years. I know that we face all the normal tasks that schools and districts across the state and nation come up against every spring and additional transitional challenges.

I pledge to support district staff in serving their students. I appreciate the parents' and community's support of your children's education.

Sincerely,

*Peggy Cowan*

NSBSD Chief Executive Officer
