

North Slope Borough School District

Cooperative Work Experience General 804

Students learn and apply a variety of skills with either paid or volunteer work which is supervised and coordinated by the school staff. Students will participate in a work experience program relating to the goals of the student. Students will apply and refine work skills, seek and secure employment using proper job search techniques, discover and practice work-place occupational and social skills, and discover and practice safe work environments.

Students must complete 120 hours for one (1) credit, 60 hours for .5 credit. Students will have periodic evaluations by the staff and employers.

Grading: Pass/Fail grading based on employer's reporting and teacher's evaluation.
